

➤ **Post 7.9 Critical Releases**

July 10th – Critical Release

| CSR  | Tracking Number     | Title   |
|------|---------------------|---|
| 1660 | CQ23015 (ALL)       | People Code error on Job Data page when the position refresh button is selected.  |
| 1648 | CQ 2968 (IRS)       | SEC Records Maint - missing records. Sporadic SEC records are disappearing from views in HR Connect. Managers are no longer able to see them on their SEC worklist and SEC Administrators are no longer able to search. |
| 1663 | CQ23011 (CFPB)      | CFPB - upload file to create NOA 800 - MUM Change in Job Code Data  |
| 1672 | CQ23009 (InService) | MSS displays "Sub Org" icon error. Some of this employee got a "Sub org" icon display next to the employee in InService, but there is those employees don't have any sub org in HR Connect.                             |
| 1665 | CQ23029 (DOC-HROC)  | Union Code 72 to be added to the UNION_CD field.  |

July 11th – Critical Release

| CSR  | Tracking Number | Title   |
|------|-----------------|---|
| 1678 | CQ23064 (CFPB)  | Run Script to Delete Extra Job Code Rows Added by CFPB MUM. |

July 15th – Critical Release

| CSR  | Tracking Number | Title   |
|------|-----------------|---|
| 1681 | CQ23077 (ALL)   | Remove MUM Code Changes From Production. This defect is being created to roll out the changes to the MUM process that were migrated to production on the 07-10-2012 release to accommodate the CFPB change in bargaining unit code. |

July 19th – Critical Release

| CSR  | Tracking Number        | Title   |
|------|------------------------|---|
| 1668 | CQ23038 (OCC)          | Fix Gender issue when adding not GVT_PERS_DATA. Every time an action is added to OCC emplid 685236, the gender changes from male to female on the new action. Data changes each time a PAR is added when Emp_Rcd is 1 or more.  |
| 1682 | CQ23022 (MBDA and CEN) | Updates 'NFC Applied Status' to 'DI-AllMatch' for 48 MBDA1 NOA 919 actions and 79 misc CEN01 actions.   |
| 1683 | 22848 (ALL)            | The URL for the FEGLI Calculator needs to be changed to: <a href="http://www.opm.gov/retirement-services/calculators/fegli-calculator">http://www.opm.gov/retirement-services/calculators/fegli-calculator</a> . The current URL results in an error because OPM re-designed their website. |
