

## **Understanding Harassment in the Workplace**

This training is designed to help participants understand the definition of harassment in the workplace and to help them recognize and address inappropriate behaviors before they rise to the level of a hostile work environment. Participants will learn their rights and responsibilities under the law and Department policy.

Presenter: John Guenther, Attorney  
Deputy Chief  
Employment & Labor Law Division  
Office of the General Counsel  
U.S. Department of Commerce
